## **USED OIL RECYCLING BLOCK GRANT PROGRAM INFORMATION**

### **Sixth Cycle**

### **2000/2003**

The California Oil Recycling Enhancement Act (Act) (Statutes of 1991, Chapter 817) mandates the California Integrated Waste Management Board (CIWMB) to provide annual Block Grants to local governments for establishing local collection programs that encourage recycling of used oil.

Because Block Grants are not competitive, local governments only need to submit a completed application and meet the program's eligibility requirements to receive a grant.

#### **APPLICANT ELIGIBILITY**

Eligible applicants are limited to local governments, defined in Public Resources Code, Section 48617 as: "any chartered or general law city, chartered or general law county, or any city and county." Any city or county, or any group of cities and/or counties (regional programs), may apply for a Block Grant. Only one application may be submitted for each local government.

To receive a Block Grant, an applicant must demonstrate that they already meet the eligibility requirements, or will meet the requirements during the term of the Block Grant agreement. The eligibility requirements for Block Grant funding are:

1. The applicant's local used oil collection program includes a public education element that informs the public of locally available used oil recycling opportunities, AND
2. The applicant's local used oil collection program meets either of the criteria below or a combination of the two so that all residents are served:
  - ◆ Provides used oil curbside collection for all residents of the jurisdiction including multi-family residences; or
  - ◆ Ensures that at least one certified used oil collection center is available for every 100,000 residents not served by curbside used oil collection.

Applicants may apply for a grant as conditional and must demonstrate their proposed used oil collection program will allow them to achieve full eligibility by the end of the grant term. Applicants must show adequate service (HHW facility or other collection opportunities) even if they do not have a certified center. If a conditional applicant does not attain eligibility by the end of the grant term, the CIWMB may require the recipient to return part or all of the grant.

In addition, to be eligible applicants must submit a resolution to the CIWMB with their application by April 6, 2000 (see pages 8-9).

#### **REGIONAL PROGRAMS**

Cities or counties may submit a regional application with authorization from other cities and/or counties. A lead jurisdiction must be designated for regional programs to act on the behalf of all participating jurisdictions. The CIWMB will direct all official correspondence and grant payments to the designated

lead jurisdiction for the regional program. Each jurisdiction may submit only one grant application. Therefore, if a jurisdiction submits an application as part of a regional program they may not apply individually.

Jurisdictions participating in a Joint Powers Authority (JPA) may designate the JPA as their regional program grant applicant if the JPA agreement involves or includes solid and/or hazardous waste management. Board staff will determine grant eligibility and awards for a regional program administered by a JPA based on the total population and territory of only the participating jurisdictions in the block grant program.

#### **MINIMUM GRANT AWARD**

The minimum grant award will be \$5,000 for eligible cities and \$10,000 for eligible counties. The awards for jurisdictions eligible for more than the minimum will continue to be calculated at approximately 32 cents per capita using Department of Finance population statistics. (See Attachment F for the 2000/2003 maximum block grant amount.)

#### **THREE-YEAR CYCLE**

The term of the grant is June 30, 2000 to June 30, 2003. Jurisdictions that do not apply by April 6, 2000, will have an opportunity to apply for second and third year funding each spring.

The table below describes the application periods for the Used Oil Recycling Block Grant - Sixth Cycle (three-year cycle) in relation to the funds available.

Application Period	Eligibility	Funds Available
1/7/00 – 4/6/00	Full three year grant term 6/30/00 to 6/30/03	FY 99/00 - May use funds for the current fiscal year and any additional funds remaining from the previous Fifth Cycle Used Oil Block Grant.  FY 00/01 - May use funds rolled over from FY 99/00 plus current fiscal year allocation.  FY 01/02 - May use funds rolled over from first two fiscal years plus current fiscal year allocations.
2/1/01 – 4/1/01	Second and third year grant term 6/30/01 to 6/30/03	FY 00/01 - May use funds for the current fiscal year. Unused funds will roll over to the third year.
2/1/02 – 4/1/02	Third year of the grant term 6/30/02 to 6/30/03	FY 01/02 - Eligible for funds for the current fiscal year only.

#### **USED OIL FILTERS**

This year \$0.025 per capita has been added to the block grant awards to provide funds to establish collection opportunities and promote the recycling of used oil filters. Filter funds will be automatically added to grant awards. The additional grant amount jurisdictions will receive is listed in Attachment F. These funds will allow grantees who have not already incorporated a filter program into their used oil programs to do so for this cycle. Grantees will be required to incorporate filter recycling messages into existing used oil recycling outreach materials as well as report on the number of filters collected. Filter funds do not need to be tracked separately from the Block grant funds. Fact sheets on oil filter recycling are available from the CIWMB. Contact Carla Repucci at (916) 255-2367 or [crepucci@ciwmb.ca.gov](mailto:crepucci@ciwmb.ca.gov) for fact sheets and more information on oil filter recycling. Specific details on this requirement will be included in the Procedures and Requirements that is part of the grant agreement.

### **PAYMENTS**

The annual allocation will be in advance each fiscal year. In order to receive the advance payment, Grantees must:

- 1) Return the Grant Agreement form with the signature of the authorized representative (as listed on the resolution) within 90 days of the date of the mailing of the agreement package by the CIWMB.
- 2) Return the Grant Payment Request Form with the signature of the authorized representative (this form will be completed by the CIWMB with the correct grant amount, and should be returned with the grant agreement form each year.)
- 3) Submit a Spending Project Form for each fiscal year. This form is due each spring for the following fiscal year.
- 4) Submit all required reports on time and follow the Procedures and Requirement and Terms and Conditions issued for the Used Oil Recycling Block Grant, Sixth Cycle.

**Failure to comply with any of the requirements listed above may result in a jurisdiction not receiving future funding under the Used Oil Recycling Block Grant.**

Any remaining funds unspent from the Fifth Cycle Used Oil Recycling Block Grant will roll over to the Sixth Cycle Used Oil Recycling Block Grant.

### **SPENDING PROJECTION FORM**

The Spending Projection Form (Attachment D) must be submitted with the Grant Application form and cover the period June 30, 2000 to June 30, 2001. This form is to be used to plan the first year of your Sixth Cycle Used Oil Recycling Block Grant expenditures. Be sure to include the filter funds in your plan. Please remember that any remaining Fifth Cycle Used Oil Block Grant funds will roll over to your Sixth Cycle Used Oil Block Grant. However, your Spending Projection Form must only include Sixth Cycle Used Oil Block Grant funds. If the participating jurisdictions in your Fifth Cycle Used Oil Block Grant have not changed, you may use the same Spending Projection Form that you submitted with your February 15, 2000 Semi-Annual Report. The Spending Projection Form can be found on page 14 of the application.

**2000/2003 USED OIL BLOCK GRANT**  
**SIXTH CYCLE APPLICATION**  
**Application Due Date: April 6, 2000**

Instructions for completing this form can be found on pages 8 and 9.

**Applicant:** If applicable, on a separate sheet of paper list the participating jurisdictions, a contact name, address, and contact's phone number and e-mail address.

## APPLICATION INSTRUCTIONS

Listed below are instructions for completion of the 2000/2003 Used Oil Recycling Block Grant, Sixth Cycle application:

- ◆ **APPLICANT** Name of applying jurisdiction. If a regional program, please list all of the participating jurisdictions, with the lead jurisdiction listed first. On a separate sheet of paper list all participating agencies with their address, contact name, phone number, and e-mail address.
- ◆ **PROGRAM DIRECTOR** The Program Director is the person with management responsibility at the local level for the program. "Title" means the official position in the local jurisdiction, e.g., Public Works Director, Solid Waste Management Director, Director of Environmental Health Services, etc. **The Program Director must be a local government employee** (except if the primary contact is an employee of a JPA involved in solid and/or hazardous waste management.)
- ◆ **PRIMARY CONTACT** The Primary contact is the person responsible for carrying out the project goals and objectives. This person will be the contact for all matters regarding the grant, including but not limited to: agreement status, program implementation and semi-annual reports. All correspondence from the CIWMB will be directed to this individual. **The Primary Contact must be a local government employee** (except if the primary contact is an employee of a JPA involved in solid and/or hazardous waste management.)
- ◆ **CONSULTANT** If applicable, please provide the name, address, and telephone number of the consultant who will be assisting with the used oil collection program.
- ◆ **ASSEMBLY/  
SENATE DISTRICTS** List the district numbers for all jurisdictions covered by this Application.
- ◆ **ELIGIBILITY** This summary establishes the applicant's eligibility or conditional eligibility to receive the grant. Please complete per instructions on application form.
- ◆ **CERTIFICATION** The signature must be that of the person authorized by resolution.
- ◆ **APPROVED  
RESOLUTION** Deadline for submittal of resolution to the CIWMB is April 6, 2000. One of the following must be included:  
  
A copy of the previously approved multiple year/grant resolution that covers fiscal years 2000-2003; OR

An approved resolution from the applicant's governing body authorizing submittal of an application for the Used Oil Recycling Block Grant identifying the **title** of the individual authorized to execute any agreements and/or contracts (See Attachment A); OR

An approved resolution authorizing the submittal of grant applications to the California Integrated Waste Management Board for all available oil grants under the California Oil Recycling Enhancement Act, or oil grants and HHW grants under the California Integrated Waste Management Act, identifying the **title** of the individual authorized to execute any agreements, contracts, and requests for payment (See Attachment B).  
*Note: Benefit of a multiple year/grant resolution is that it can be used for future applications such as Opportunity Grants, Household Hazardous Waste Grants, etc.; OR*

**Regional Programs** - In addition to the resolution for the lead applicant as described on the (previous page), applications for regional programs must also include ONE of the following:

A resolution from each of the other participating jurisdictions authorizing the lead applicant to act on their behalf as both Applicant and Grant Administrator\*; OR

A letter from the County Administrator/City Manager from each of the participating jurisdictions stating that the jurisdiction wants to participate in the regional program and authorizing the lead applicant to act on their behalf as both Applicant and Grant Administrator\*; OR

A copy of a Joint Powers Authority (JPA) agreement and a letter from the County Administrator/City Manager from each of the participating jurisdictions authorizing the JPA to act on behalf of the jurisdictions as both Applicant and Grant Administrator\*; OR

A copy of a Memorandum of Understanding specifically for this grant proposal from each jurisdiction authorizing the lead applicant to act on behalf of the jurisdiction both as Applicant and Grant Administrator\*.

◆ **SPENDING  
PROJECTION FORM**

In addition, applicants must submit a Spending Projection Form to the CIWMB with their application (Attachment D).

\* Grant Administrator is the entity that implements the grant program.

## SUBMITTAL OF APPLICATION

Applicants must submit **an original application and all required documents**, postmarked or in person, to the CIWMB's principal place of business **by 4:00 p.m., Thursday, April 6, 2000.**

Applications postmarked or delivered in person after this date will be returned to the applicant and will not be considered for grant funding. It is the applicant's responsibility to ensure that the application is postmarked or delivered in person to the CIWMB by the filing deadline. **It is strongly suggested that your application be sent by registered mail.** A letter of application acknowledgement will be sent by May 1, 2000. If you have not received an acknowledgement letter by May 1, 2000, please call Ruth Galvez at (916) 255-4558.

**Please submit your application to:** California Integrated Waste Management Board
